

## Civic Committee Meeting Minutes December 7, 2010

### **Present**

Committee Members: Tom Wheeler, Rodney Jester, Mick Fitzharris, Valerie Hutchinson  
Town Secretary: Elaine Hickey

Co-Chair Tom Wheeler convened the meeting at 7:05 PM.  
Minutes of the Nov. 2 meeting were approved as presented.

### **Roads**

A spot near 1704 Millers Rd. was missed during the repair project. Ed will contact Downing about it.

### **Sand Barrels**

Ed will take care of requesting sand barrels for the winter season.

### **Trees**

Leaseholder at 2207 Orleans has requested permission to remove trees along Grocery Path at their expense. The Committee approved via an email vote.

### **Sherwood Green**

A copy of the Sherwood Green survey was sent to the Trustees. They responded with historical documentation regarding the granting of the usage of Village ROW land to the #119 leasehold (2123 The Highway). The Committee will request that the Trustees provide a survey of that leasehold in order to clarify the boundaries on which that leasehold's current land rent is based. An accurate survey of that leasehold is necessary for future reference.

### **Signs**

In order to improve the visibility of many of the Village street signs the Committee has agreed to meet sometime to take a look at some of the replacement signs now stored in the Spring House and add glass beads to them so that street names will reflect at night. Valerie will conduct a survey of all Village signage, including traffic signs, and list what needs to be replaced.

### **New Business**

- Need nominees for committee members for 2011. Three members need to be elected. Will need six nominees. Rodney, Valerie, and Mick have agreed to run.
- The area around the "Welcome Hither" sign needs to be cleaned up. Tom will ask Damon to take care of that.

**Next meeting** – Tuesday, January 4, 7:00 PM, BWVC

Meeting adjourned at 7:20 PM

Respectfully submitted,  
Elaine Hickey
